

Getting started with iOS® devices (iPhone®/iPad®/iPod® touch)

You can use the OverDrive app to get eBooks, audiobooks, streaming videos, and periodicals from your library on your iOS device (iPhone/iPad/iPod touch).

NOTE: Some digital formats may not be available from all libraries.

STEP 1

Download the OverDrive app from the Apple App Store.

STEP 2

Open the OverDrive app and follow the prompts to create an OverDrive account and log in. If you're under 13, select **I am under 13 years old** instead.

STEP 3

In the OverDrive app, swipe from left to right to open the **Home menu**. Then tap **+** Add a library to find your library's OverDrive website.

- Tap the ★ to save your library to your library list.
- Tap your library's name to start browsing.

STEP 4

Log into your library's OverDrive website with your library card and borrow a title.

Borrow

NOTE: Magazines and newspapers work a little differently than other digital titles. They have a **Send to NOOK** app button instead of a **Borrow** button, and to read them, you'll need to install the NOOK reading app from the Apple App Store. See our "getting started with periodicals" guide for more help.
